# Dedication

We, the Senior class of Woodrow Wilson High School, affectionately dedicate this volume of the Crusader to Miss Erma Griffin, friend and staunch supporter of all good things in high school life. As sponsor of this, our book, she has won our hearts completely, refusing us but one favor, her approval of this dedication. To the class of June, 1935, she has proved a friend at all times. Her delightful humor, refreshing frankness, and extraordinary ability have endeared her to us all.

# Foreword

Man, if he would be remembered after he has gone, must leave a record behind him. So we, the Senior class of 1934-1935, leave with you this seventh volume of the CRUSADER, a brief record of the life at Woodrow Wilson High School during our sojourn here.

# G. L. Ashburn

Our principal, G. L. Ashburn, is a man who has served Woodrow Wilson High School in the fullest capacity for the past seven years in the fields of service, learning, and gentility. He is an individual who has proven himself a leader in affairs outside as well as inside of school. He is a disciplinarian who has accomplished that most difficult of all things-the enforcement of rules and regulations, and at the same time the retention of the respect and admiration of his entire student body. He is a man who has attained the highest ideals of intellectual honesty, true scholarship, and genuine manhood and has tried to pass on those ideals to us. Because we appreciate both what he is and what he does, we here express to him the thanks and affection of the June Senior class of 1935.

#### PRESIDENT'S MESSAGE

In this crisis of education it is necessary to create between the educators and the general public a united effort to promote the welfare of our children. The road forward is up hill and hard to travel, but the higher the hill the finer the view. Let us set our standards high. Let us keep in mind that the most beautiful gift that we can give to our nation, the greatest gift to humanity is to send forth the generation of children for whom we are responsible, with their hearts filled with the joy of loving and serving.

Let us stand together, pull together, and bring a new day for united education.

## Honor Groups

Each six weeks our school compiles a list of those students who have maintained a high scholastic average in their class work. This list is divided into two groups—the first, which is called "summa cum laude," is composed of those students who have made an average of 90 to 100 in all their work; the second, which is called the "cum laude," is composed of those who have made an average of 80 to 90 in all their work. No student may be included in either group who has made a grade below 80 in any subject.

On the following pages are the names of those students who met these requirements for the first term of this year.

## The Star-Spangled Banner

- Oh! say can you see by the dawn's early light
- What so proudly we hail'd at the twilight's last gleaming,
- Whose broad stripes and bright stars, thro' the perilous fight
- O'er the ramparts we watch'd, were so gallantly streaming;
- And the rocket's red glare, the bombs bursting in air,
- Gave proof thro' the night that our flag was still there!
- Oh! say does that star-spangled banner yet wave
- O'er the land of the free and the home of the brave!

Organizations

### Organizations

On the following pages we have pictures and names of those students who have attained distinction in helping with the management of our extra-curricular affairs,

The two Student Council groups are composed of representatives elected by each room in our building. Their duties are many: they act as contact men between the principal and the various groups, carrying his message and directions in many important matters; they attend to the sale and distribution of the school newspaper; they make the final selection of our yell leaders; they help to conduct the subscription campaign for the CRU-SADER; and they assist in managing the nomination and election of our school favorites.

The interscholastic group is composed of those students who have been selected to represent Woodrow Wilson High School in the fields of the written essay, spelling, debate, declamation, and dramatic art. At the time this annual went to press, our contestants had won first place in the essay, spelling, and declamation; and had tied for first place in the debate.

The direction of all these outside activities has given rise to a business department which is responsible for the management and financial conduct of matters pertaining to our school life.

Each Tuesday the Thrift Department opens its banking room, at which time all students of Woodrow Wilson are urged to make deposits in their school bank accounts. That the students appreciate this opportunity of saving money and learning the habit of thrifty and intelligent conservation of their funds is shown by the fact that Woodrow Wilson High School has 479 active accounts, with deposits of \$12,500.

The Woodrow Wilson News is published bimonthly during the school term and furnishes a live record of the happenings of the school year. This paper is a pioneer in the class of school publications which are conducted without advertising. Its editors and managers make a very definite and lasting contribution to the life and history of our school.

### DAVID O'BRIEN, Quarter Back and Captain

David's outstanding playing was the greatest factor of the success of our team. He was elected captain of the Wildcats, and was chosen on several all city and all state teams. He will undoubtedly be an outstanding college football player

#### BILL CAVENDAR, Tackle

Bill was a regular tackle, and although he did not get into the preseason games, he played in most of the City series games. Bill was noted for his quick runs down on punts

#### FRANK JACKSON, End

A regular end, Jackson was a valuable asset to the team. Always fighting, he made his opponents know that the battle was on

#### BOB LIVINGSTON, Half Back

Bibby was one of the outstanding halfbacks and was always ready to hit that line with the power drives for which he is well known. He has another year and should be a great assistance to the team.

#### J. C. WII SON, Full Back

"Josie" was a substitute back and was very valuable in plugging into the line. He was responsible for many gains this season and has two more seasons to play

#### GEORGE UTLEY, End

George, although not a regular end, played in most of the later games. He gained the team a lot of ground by taking passes out of the ozone with the greatest of ease. Utley will be back next year

#### IRWIN DUGGER, Tackle

Dugger was probably the most effective tackle of the city. His playing was excellent throughout the season, and he stopped the opponents many times

#### H. N. PEEK, Quarter Back

H. N. made one of the most spectacular runs of the season. He filled the quarterback position many times in O'Brien's absence. He will be back to fill David's shoes again next year, and we are expecting great things from him

#### HARVEY PARKERSON, Guard

Although he was one of the mallest guards in the state, Harvey proved his worth by his constant nghting He fought hard all the tune, and contributed much to our 44635

### WILLIAM McKINLEY, Half Back

Wisham was not a regular, but he had his day in the Tech game. He could drive into the bne with Junzing power and deception

#### PHIL CHAPMAN, Guard

Phil was a substitute guard and held his part of the line. He is an excellent guard, and he is to be back to assist the team next year.

#### LUOYD MCINTOSH, Half Back

Lloyd filled the position of halfback well, and became very popular with the football fans. With his running plays, he helped the team through many tight spots

#### BILLY HYLTON, Half Back

Billy was an able halfback and could twist himself right out of his opponent's arms. He was also a good-

#### ROY SKINNER, End

Riv, playing end position, was fas and wear able to receive passes He helped prevent the opponents from gaming many times.

Although Ed was not a regular, he was always ready to fill the position of tackle or guard. It was comforting to the team to know that there was such a man to fall back on

#### J. D. CHAPMAN, End

Chapman was another of our speedy ends. He was in on nearly every play, and he did much to improve the standing of our team

#### Amos Marsh, Center

"Andy" wasn't a regular, but he always added to the fight of the team with his incessant chatter and pep phrases. Marsh will also be back for another year

### The Season

#### Woodrow Wilson, 32-Gainesville, 0

The light Leopards were no match for the fast, powerful running attack of the Wildcats, and the Gainesville team threatened only once, in the last quarter.

David O'Brien scored four of our five touchdowns, and starred with two long runs of 48 and 37 yards. The fifth touchdown was made by J. D. Chapman when he covered a fumble behind the goal line.

The winning of this game showed the strength of the Wildcats and gave them confidence for the games that were to follow.

#### WOODROW WILSON, 0-GREENVILLE, 19

The Wildcats went down in defeat before the former state champions, Greenville, despite the fact that the Lions were kept on the defense most of the time. Five times the Woodrow Wilson lads invaded the opponents' ten-yard line, but the strong Greenville line held the Wildcats scoreless.

The excellent qualities of the Woodrow Wilson team were brought out in this game, and even though the struggle ended in defeat, it made the Triple W's confident of victories to come.

#### WOODROW WILSON, 14-SULPHUR SPRINGS, 0

The Woodrow Wilson and Sulphur Springs teams waged a bitter duel before the largest crowd ever to witness a game in Sulphur Springs. The Wildeats scored first in the second quarter after a pass was completed to the four-yard line. O'Brien carried the ball over the line and kicked the extra point. The second score was made by a 55-yard run in the third quarter.

The game ended with the Wildcats in possession of the ball and high hopes for the future,

#### Woodrow Wilson, 26-Sherman, 12

David O'Brien crossed the goal line four times and kicked two extra points in the first half of the game. He was removed from the game in the fourth quarter, but after the Bearcats started a drive for their second touchdown he was rushed back into the fray, But his punt was blocked and the Bearcats scored.

David O'Brien again proved his worth in this game, and the team faced the future games in good spirits.

#### Woodrow Wilson, 40-North Dallas, 14

The Wildcats were held back in the first quarter while the Bulldogs scored, but on the first play of the second quarter David O'Brien carried the ball over for a touchdown. In all, O'Brien scored five touchdowns and threw the pass that resulted in the sixth. The most spectacular play was a 68-yard run by O'Brien on the second play of the third quarter. The Wildcats completed ten passes for a net gain of 107 yards and intercepted three of their opponents' passes.

Praise should be given the fine blocking which made possible the excellent running in this game.

#### WOODROW WILSON, 6-TECH, 7

The Wildcats were defeated by the Wolves, former City Champions, in what was probably the hardest game of the season. In the first few minutes of play the Wolves crossed the Wildcats' goal line and kicked the extra point. O'Brien was handicapped by an injury to his right shoulder, and his running attack was stopped cold. Nevertheless, he played exceptionally well.

In the third quarter O'Brien took a Tech punt and was downed on the 40-yard line. On the next play he forgot his injured shoulder and heaved a pass to McIntosh standing in the end zone.

The game from there on was hard fought but uneventful.

#### WOODROW WILSON, 6-SUNSET, 6

In spite of the rain which fell during most of the game, a large crowd came to witness what was expected to be a hard-fought battle and was satisfied.

Both teams abandoned their aerial attacks for running, with O'Brien gaining almost at will. The Wildcats' only score came after O'Brien took a kick on the five-yard stripe and returned it to the 32-yard line. From here Wilson and O'Brien advanced it nearly to the goal line by line plunges, and O'Brien carried it over for the touchdown.

In the last minute, just prior to attempting a field goal, the Wildcats failed to call time out to clean the mud from their shoes and the gun sounded, ending the game.

#### WOODROW WILSON, 20-OAK CEIFF, 7

O'Brien was out of the game all but three minutes in the third quarter, when he entered the game just long enough to make a touchdown, but it was discovered that H. N. Peek could handle the situation very well

The most sensational play of the season came when Peek received a kickoff on the three-yard line and, with beautiful interference, ran 97 yards for the first counter. This was the longest run ever made in high school football.

#### WOODROW WILSON, 13-FOREST, 23

Despite the fact that their quarterback, David O'Brien, was out of the game on account of an injured shoulder, the Wildcats put up a game fight. The first score was made by Jackson, after the entire Wildcat line blocked a punt on the Lions' eight yard line. In the third quarter, after another punt was blocked by Dugger, Chapman scored on a high pass from McIntosh.

The loss of this game eliminated the Wildcats from the title race.
